CREATIVITY - ACTIVITY - SERVICE

CAS

IB' 13 IN DG

2017 - 2019

A Word from the Editor

CAS can be seen as a journey; it takes each and every International Baccalaureate student to new places in life. Ones find new passions, while others try challenging activities, which put them out of their comfort zones. Amongst all the failures and successes, we all find new perspectives on life one activity at a time. By the end of two years, students have a lot to say. So here are some pictures and thoughts from our IB' 13 students in DG in 2017-2019.
